

Name: _____

Mixed Tables

$6 \times 0 = \underline{\quad}$ $1 \times 7 = \underline{\quad}$

$7 \times 9 = \underline{\quad}$ $8 \times 6 = \underline{\quad}$

$6 \times 8 = \underline{\quad}$ $7 \times 0 = \underline{\quad}$

$2 \times 1 = \underline{\quad}$ $9 \times 1 = \underline{\quad}$

$3 \times 2 = \underline{\quad}$ $6 \times 2 = \underline{\quad}$

$1 \times 8 = \underline{\quad}$ $2 \times 5 = \underline{\quad}$

$4 \times 6 = \underline{\quad}$ $8 \times 6 = \underline{\quad}$

$4 \times 10 = \underline{\quad}$ $3 \times 9 = \underline{\quad}$

$4 \times 1 = \underline{\quad}$ $5 \times 4 = \underline{\quad}$

$5 \times 3 = \underline{\quad}$ $10 \times 2 = \underline{\quad}$

$5 \times 7 = \underline{\quad}$ $9 \times 9 = \underline{\quad}$

$8 \times 8 = \underline{\quad}$ $4 \times 9 = \underline{\quad}$

$2 \times 3 = \underline{\quad}$ $5 \times 1 = \underline{\quad}$

$3 \times 4 = \underline{\quad}$ $8 \times 6 = \underline{\quad}$

$4 \times 7 = \underline{\quad}$ $1 \times 6 = \underline{\quad}$

$10 \times 1 = \underline{\quad}$ $9 \times 8 = \underline{\quad}$

$9 \times 3 = \underline{\quad}$ $5 \times 7 = \underline{\quad}$

Working Mathematically

- 1) Mum put 6 coins in each of our 3 piggy banks.

How many coins altogether? _____

- 2) There are 4 towels hanging on 8 lines.

How many towels altogether? _____

- 3) I put 6 plants in each flower bed.

How many plants in 4 beds? _____

- 4) There are 6 eggs in a pack.

How many eggs in 8 packs? _____

- 5) How many socks in 7 pairs?
