

Adjectives

Name: _____

Adjectives describe the features or qualities of nouns (people, places, things or ideas). They may describe the type, size, age, colour, shape or condition of the noun.

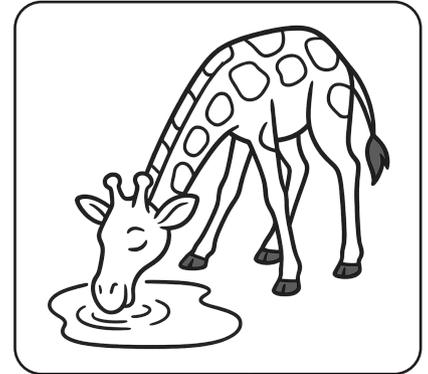

Underline the adjective.	Noun it describes
The little monkey climbed the tree.	
Toby is wearing a blue shirt.	
She put the apples in the wooden bowl.	
He lost his grandfather's gold watch.	
She wore a beautiful dress to the party.	
My young brother loves dinosaurs.	
The busy city was full of lights and sounds.	
She opened the heavy wooden door.	
We planted three apple trees in the yard.	
The lazy cat refused to move from the chair.	

Sort the adjectives by type:

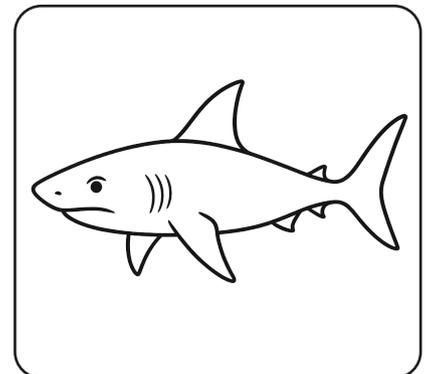

round, rough, friendly, sticky, huge, colourful, worried, narrow, pointy, bumpy, curious, furry, spotted, smooth, sleepy, wrinkled, angry, short, stripy

Appearance	size/shape	Texture/Material	Personality

Use adjectives to describe either a shark or a giraffe.
