First stand at the kerb. You need to be sure the drivers can see you.

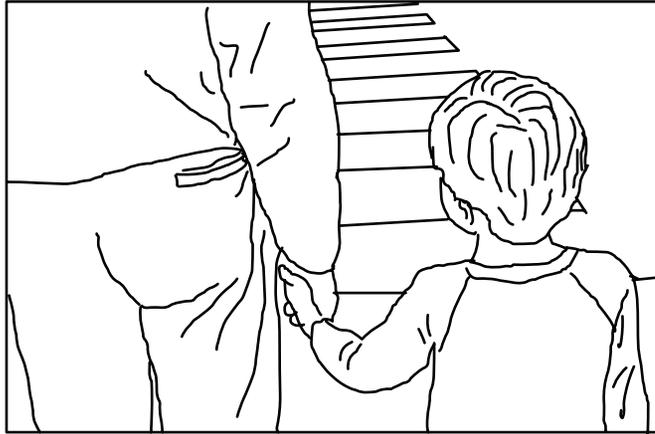

Check the road in both directions to see that the cars are stopping for you.

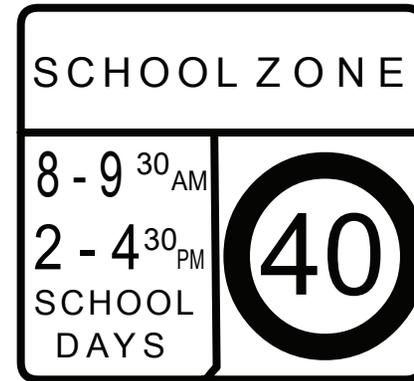

Some drivers might not see you. Do not cross until you are sure they will stop.

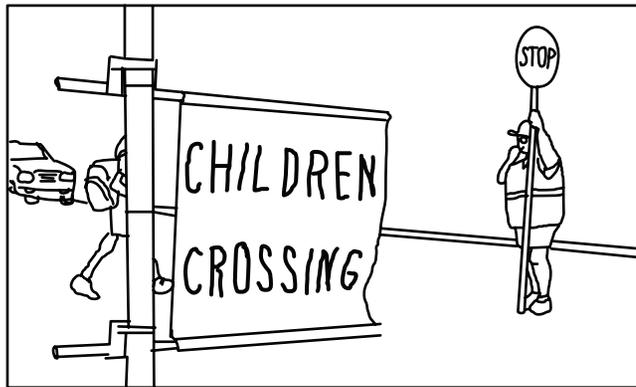

Walk sensibly across the road. There is no need to run.

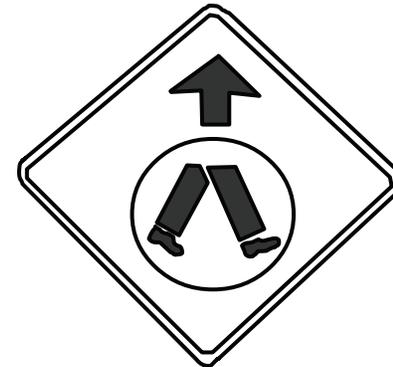

Always hold an adult's hand if you are younger than ten.

Roads near schools can be very busy when there are lots of children about.

So road safety controllers sometimes help children cross the busy roads.

Remember, if you use crossings properly you can keep yourself safe!
