

RESEARCH TASK:

Name:

A FAMOUS VOLCANIC ERUPTION

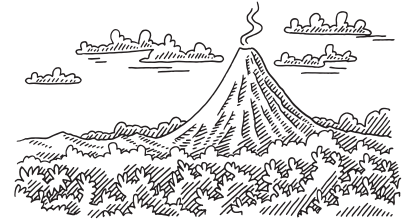

Select a famous volcano to research from the list below:

Due date:

Krakatoa, Mount Vesuvius, Eyjafjallajökull, Mount St. Helens, Mount Pinatubo, Mauna Loa, Kilauea, Mt Etna.

Research Questions:

- 1) Where is this volcano located?
- 2) What eruption history does this volcano have?
- 3) When did the eruption it is most known for take place?
- 4) What events took place during this eruption?
- 5) What effect did this eruption have on the environment and life in the area?

Choose a method for presenting your research:

- a slideshow presentation
- a video
- a newspaper or magazine article
- a visitor's brochure

Include:

- a title and sub-headings where necessary
- paragraphs that answer each question
- photographs, drawings or video footage that illustrate your points
- a bibliography to acknowledge your sources of information
