Do you know any more interesting facts about feet?

Craft - Making Big Monster Feet

Paint two empty cardboard boxes (such as a tissue box) and then decorate.

You could add 'claws', 'fur', 'scales' to create your own big monster feet.

Family Footprints

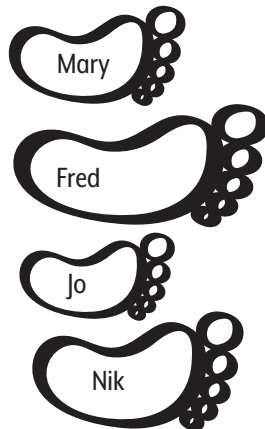

Place your right foot flat on a piece of paper and trace around it with a pen.

Cut out your 'footprint' and write your name on it.

Repeat this with everyone in your family.

Compare your family's footprints.

Who had the longest foot?
Who had the widest foot?

Plural Words

Plurals mean more than one.
