

A pair of large, brown leather boots with laces is shown from a high angle, dominating the foreground. The boots are positioned on a light-colored, textured floor. In the distance, a tiny, small figure of a person stands, looking towards the viewer. The person is wearing a light-colored shirt and dark pants. The overall scene is surreal, emphasizing the scale difference between the boots and the person.

***The Land of
the Giants***

The Land of the Giants

Imagine you have found yourself magically transported to a land of giant people.

Are the giants friendly or unfriendly?

What hardships will you encounter in their land?

How can your size be an advantage / disadvantage?

How will you end your narrative?

Will you ever find your way back home or will you be happy to stay in the land of the giants?

The Land of the Giants

Writing plans help you get started!

Use Studyladder's printable writing task "The Land of the Giants" to help you plan your narrative.

Write down lots of ideas in your plan!

Characters

Setting

Plot

Conclusion

Remember, plans are flexible!

As you write you may think of a different plot twist. You may decide to bring in a new character or change the ending.

THE LAND OF THE GIANTS Name: _____

Imagine you have found yourself magically transported to a land of giant people. Will you ever find your way back home?

- ☆ Are the giants friendly?
- ☆ How do they react to seeing you for the first time?
- ☆ How will you survive in this strange land?

Plan your narrative before you start.

Characters:
Who will be in the story?

Setting:
Where will the story take place?

Complication:
What problem will occur? What sequence of events will follow?

Resolution:
How will the story end?
