Pets are great fun. They love to be part of the family.

We have two pet budgerigars. They are friends. They live in a cage together. We give them fresh water every day and feed them bird seed, fruit and vegetables.

Pets

I have a pet cat named Cuddles. She likes sleeping on the chair. I feed her cat food and water. She licks herself clean after every meal.

My dog and I are best friends. I take him on walks. We go everywhere together. I feed him dry food and plenty of water. Sometimes he likes to chew on a bone.

This is my pet. His name is Benjamin Bunny and he is very funny. He sleeps in a hutch. He loves eating fresh vegetables for his dinner.

These are my new pet goldfish. They will live in our pond and eat fish food.

Pets are the best!
