Writing

There are many different types of farms. Some grow vegetables, fruit or grain. Other farms have animals like sheep, pigs and cows.

Imagine you are a farmer.

Write a description of your farm.

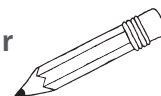

What sort of farm is it?

Do you have animals?

Do you grow something?

What sort of jobs do you have to do on your farm?

Draw some pictures to illustrate your farm description.

Number Crunchers

- 1 At the market, I bought 2 bags of tomatoes from Con the fruit farmer.

If there were 5 tomatoes in each bag, how many tomatoes did I buy?

- 2 I also bought 3 bags of pears.

If there were 4 pears in a bag, how many pears did I buy?

- 3 I bought 2 bunches of bananas.

If there are 6 bananas in a bunch, how many bananas did I buy from Con?
