CREATE A POSTER

Procedures are **instructions** that tell the reader how to do something.

The instructions can be displayed in the form of a **POSTER**.

Ideas for creating a poster

- A main message: Clear big writing
 - A main picture to support the message
 - Other smaller messages and pictures (optional)
-

What your poster is about:

Water Safety

What is the main message? (use one of these or create your own)

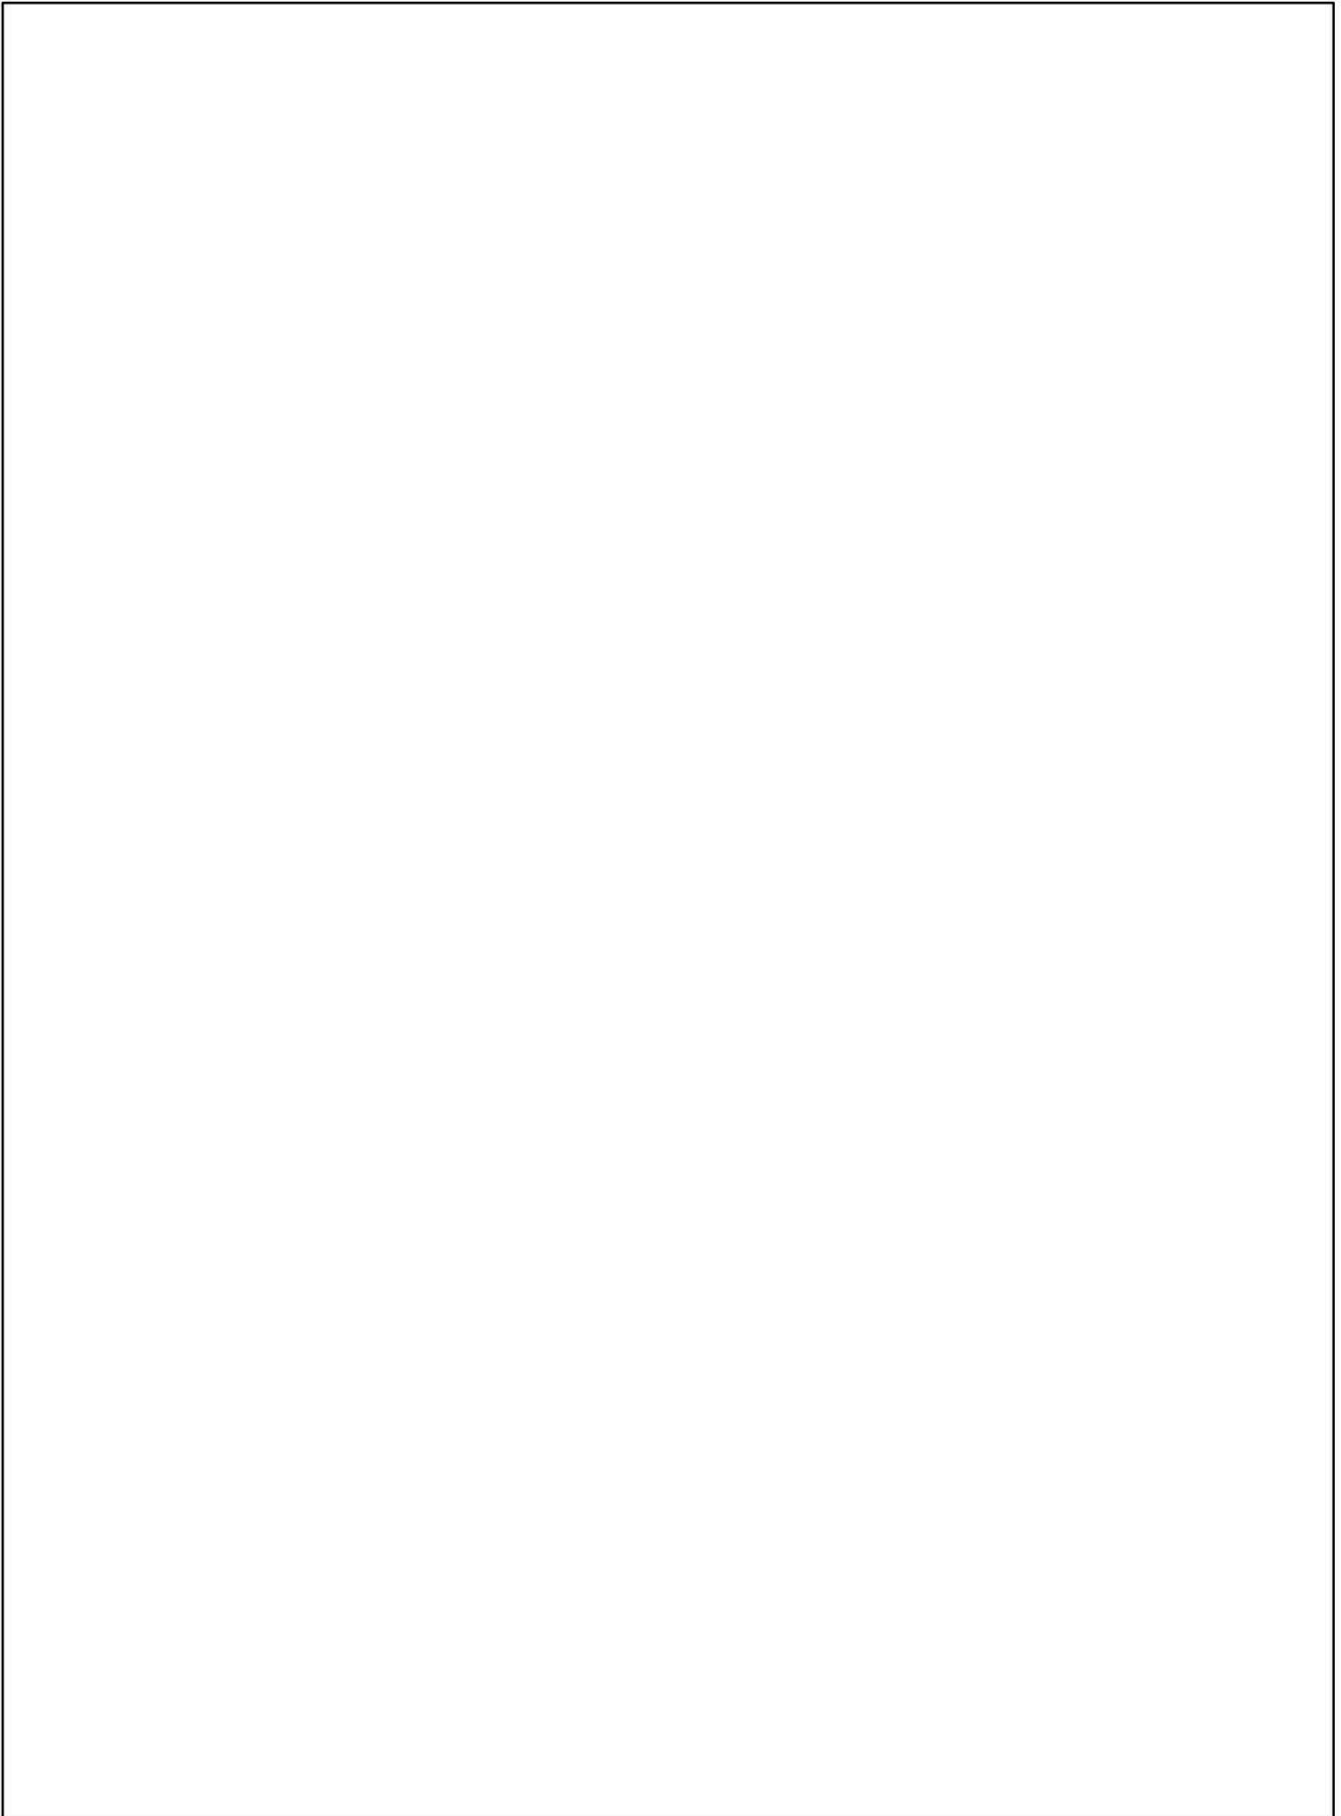

examples:

NEVER SWIM ALONE, STAY SAFE..PLAY SAFE..SWIM SAFE, SWIM AT PATROLLED BEACHES

Before you start: Research some of the dangers of swimming in pools, at the beach, or in a river or lake . Concentrate your message on warning against the dangers.

Plan your main picture and any other messages or pictures

name:

A large, empty rectangular box with a thin black border, occupying most of the page. It is intended for a student to draw or write their name and other information.
