$\qquad$

Descriptions help the reader 'see' things more clearly.

Your choice of descriptive words can change the image they see in their minds.

Write some descriptive words that describe the following:

Sound of rain:

Look of rain:

Feel of rain:

Synonyms for 'rain':

## Write descriptive words to describe different rain events:

drizzle $\qquad$
snow
storm
sunshower hailstorm

Was it a sunshower? Was it a quick storm that was over in a flash? Did it keep raining and produce a flood?
Write a short narrative about being caught in the rain. Include a paragraph that describes the sky and the conditions on the day.
